
INSTRUCTIONS FOR EXERCISING THE RIGHT TO VOTE

Three (3) directors' positions will be put to the vote this year:

- Southern Region (Région Sud),
- Central Region (Région Centre),
- Independent (indépendant).

Following the call for applications, only one was received for the Central Region in the Member Representative category; the outgoing director was therefore elected by acclamation.

In the Member Representative - Southern Region category, three (3) candidates were retained, while two (2) were retained in the Independent Director category. Elections will therefore be held for these two positions.

Who is eligible to vote?

All members as defined in Article 1.6 of the By-Laws may vote.

1.6 "Member"

A legal entity that meets the eligibility criteria set out in Article 6 and that has an insurance contract issued by the Mutuelle in its favour.

In the case of a contract issued to several insureds (the "**co-insureds**"), each of them is a Member.

The policyholder of a group contract as well as the legal entities that are enrolled in it are Members.

The co-insureds and participants in a group contract designate the primary policyholder or the contract holder to act on their behalf in all matters pertaining to an insurance policy issued by the Mutuelle, including, but not limited to, its renewal, the terms and conditions associated therewith, as well as the receipt of notices sent from time to time by the Mutuelle. Any notice transmitted to the primary policyholder or contract holder shall be binding on each of the co-insureds and participants as if it had been given to them personally.

**Please note that the English translation is not official and that the official French version takes precedence.*

By default, **one policy equals one member, and each member has one vote**. In cases where more than one member is attached to the same policy, the owner of that policy as defined in the aforementioned article is responsible for notifying their co-insureds and providing them with the relevant documentation.

It should be noted that under Article 15 of the By-Laws, as well as under Article 285 of the Insurers Act, each member is entitled to only **one (1) vote for each elected position**. In order to vote, the member must designate a Representative (proxyholder) by way of a proxy.
